

**PRODUCT CHANGE NOTICE****VX2/3 6mm Gypsy**

The 6mm hybrid gypsy, as used on the VX2/2+/3 and RX2/2+/3 is not compatible with 6mm ISO chain. If 6mm ISO chain is desired a new gypsy kit is now available, using the 6mm Gypsy from the CPX2/3 modified to suit the VX & RX 2/3 platform. The new kit includes revised cones and is a direct fitment onto the VX and RX 2/3.

Below is the revised list of options for chain on the VX and RX 2/3:
